- Rita -

In every group of people there is one who is held in special esteem by all . . . we at Arvin are no exception . . . we have one among us who is admired and respected by students and teachers alike . . . her winning personality and ready smile and good word for all have won a place for her in many hearts . . . she has taught business education subjects in Puerto Rico, Massachusetts and Connecticut, and was an instructor in Secretarial Science at the Katharine Gibbs Secretarial School in Boston before coming to California.

Thanks is a meager tribute to a woman who has done so much . . . nevertheless, we thank her sincerely and honor her on behalf of the student body and those whom she has helped in other years . . . with the dedication of our annual.

Good luck!

The "line up"???

ACTIVITY SNAPS

Smile! You're on Candid Camera.

For the third time, I'm not listed under Z!!!

Now we are here
To close the year
Content within our minds
The gift we give
Will ever live
And be a "tie that binds."

But first we thank
Those who sank
Some problems that we found.
Without their aid
If it be weighed,
We wouldn't have reached dry
ground.

So here we stand
A wearied band,

Whose smiles reveal the pride
In a simple book
Which only took
So much we nearly died!

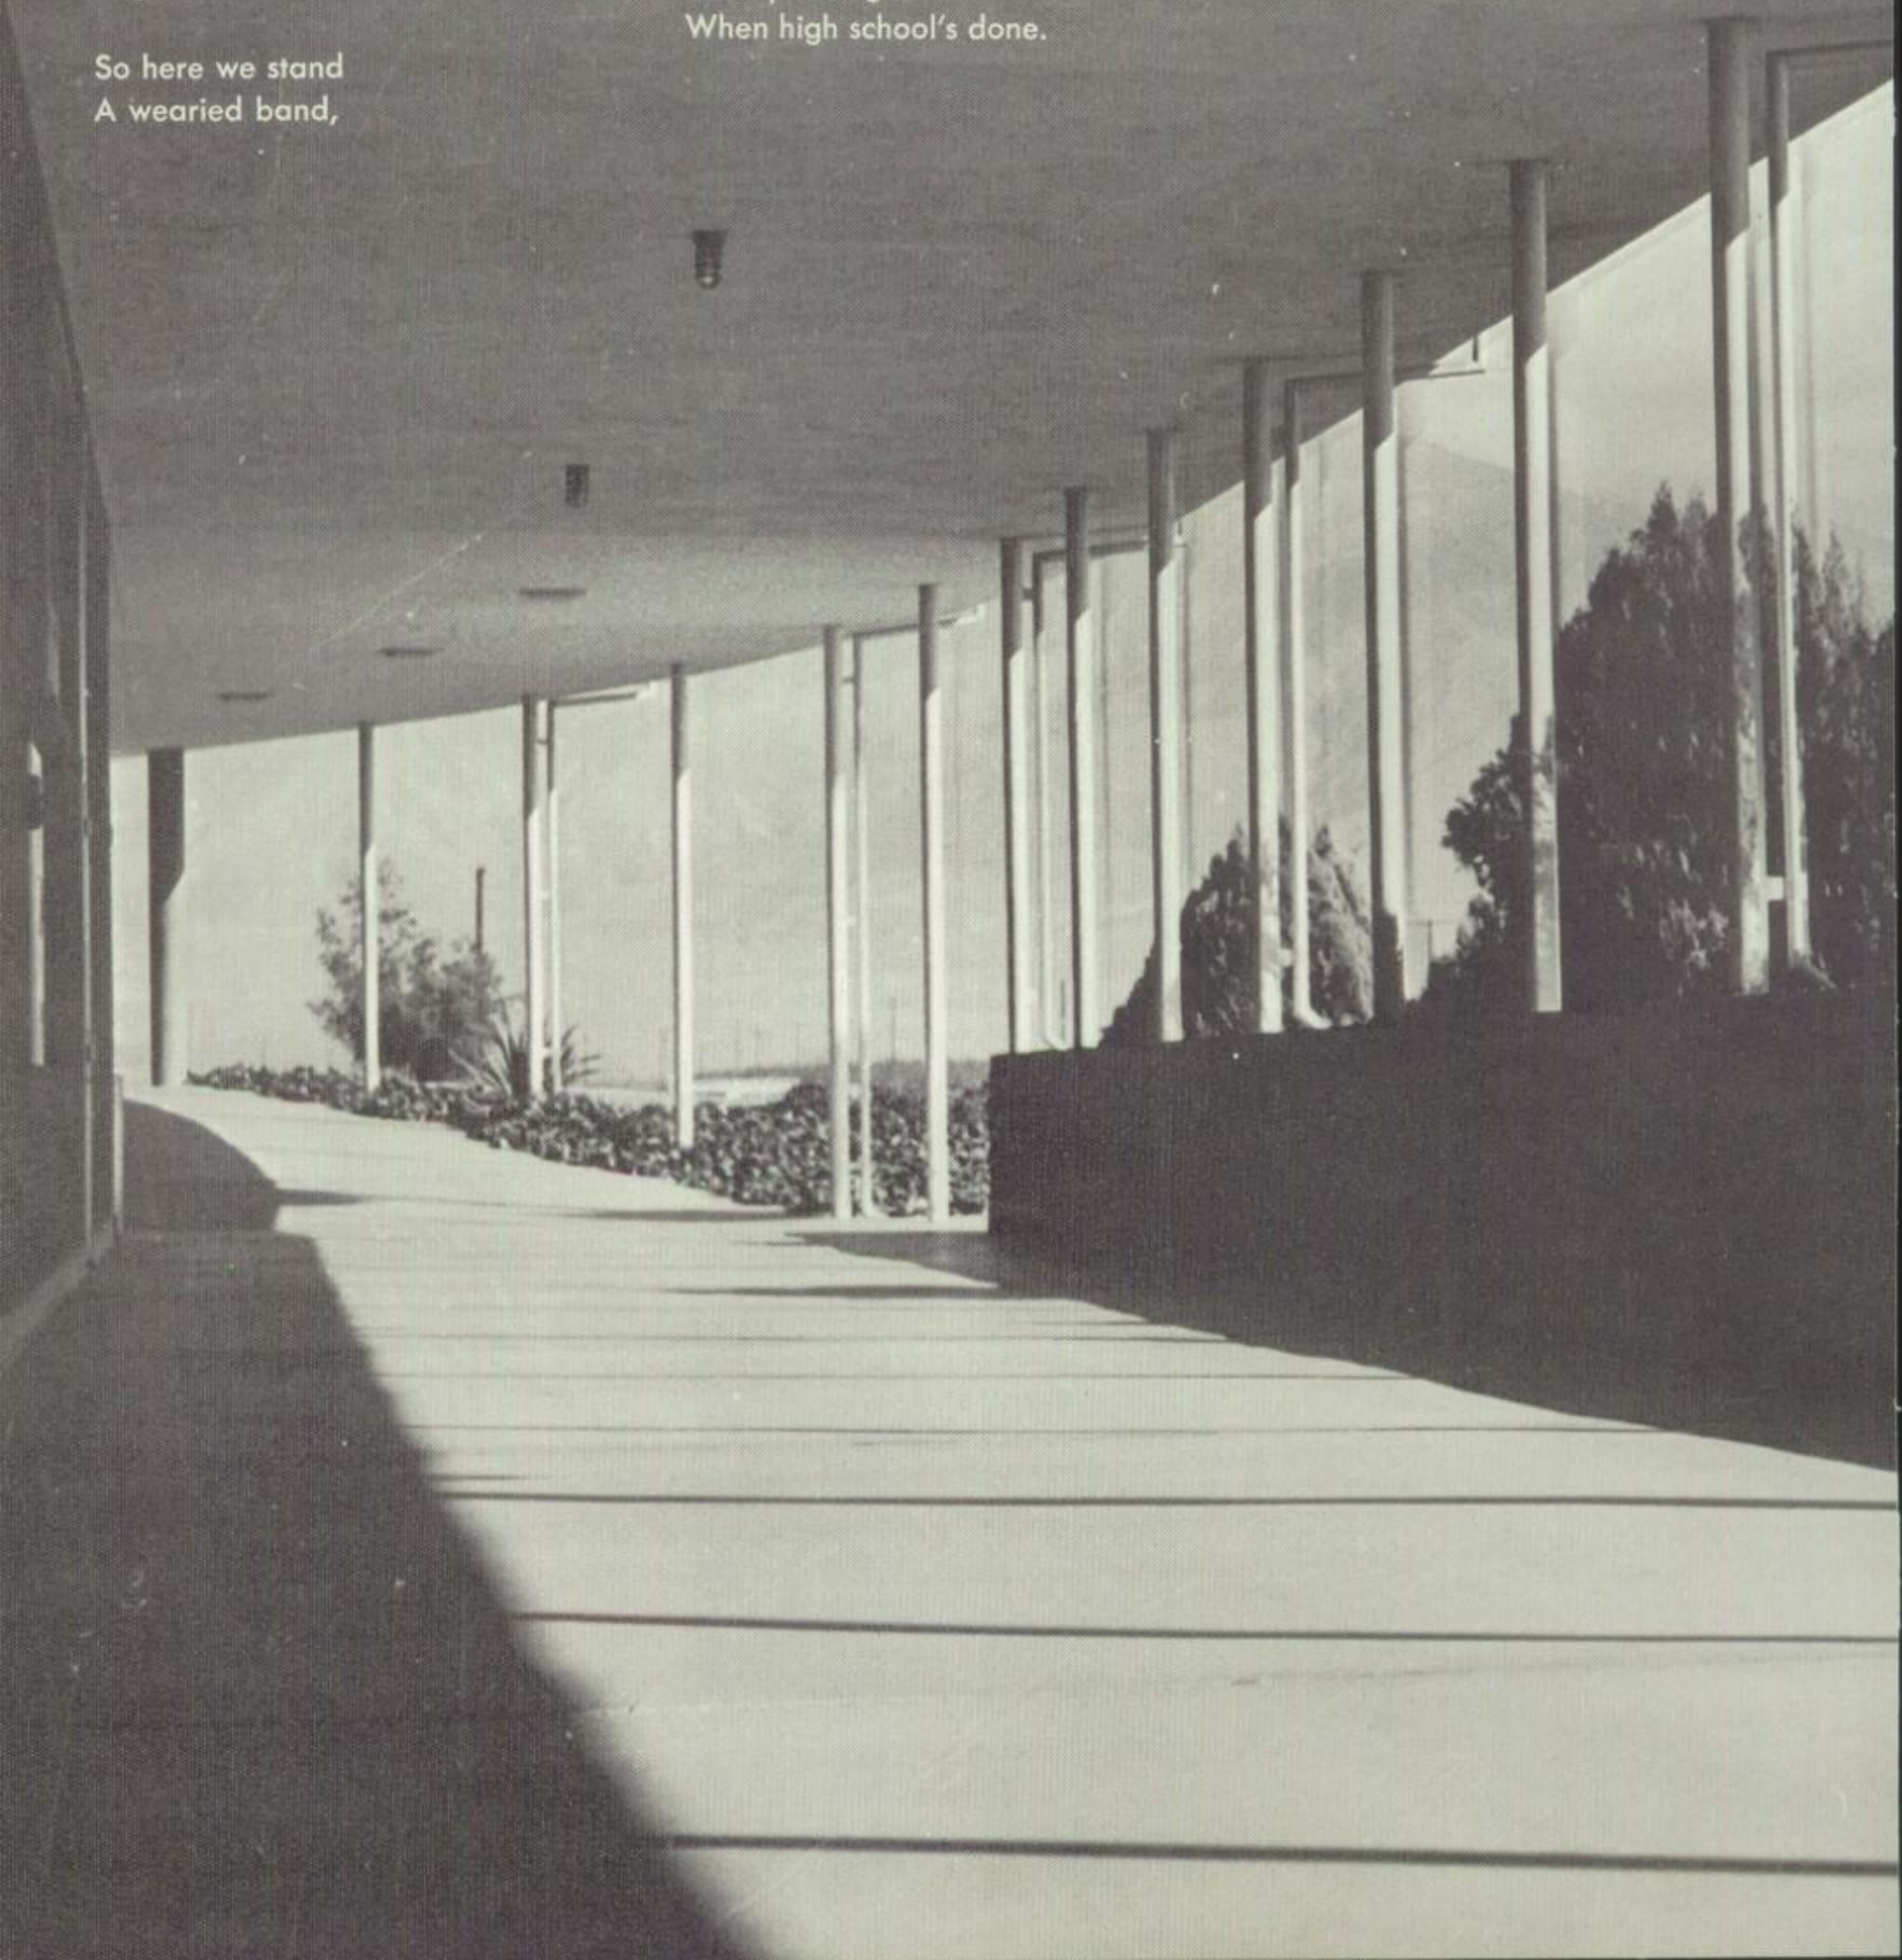

We know we've erred,
So be prepared,
But remember as you view,
There are few of us,
(And we don't fuss).
But there are eleven hundred of
you.

Life's just begun
When high school's done.

We've felt that all along.
But as we leave,
We know we'll grieve
To leave the happy throng.

So here's the book
Wherein we look
To the four best years we'll see
We pray it holds
Between its folds
Bonds of joy and memory.

Sincerely,
Praeterita Staff

CO-CURRICULAR COMMITTEE

This is the first year the Co-Curricular Committee has been in operation. It's main purpose is to review applications for club charters; and to set the standards to which the clubs must adhere. It then passes on its recommendations to the Student Council for final action. It has been helpful in clarifying the purposes for which the various clubs have been organized.
